

GRADE SCHOOL LARGE GROUP ASSISTANT

Each month our grade school program has a theme complete with an all new character for the monthly assistant. You could be a chef, detective, aspiring artist, or magician! This role requires you to read through your lines several times at any time of your choice throughout the week. Cue cards containing your scripts are provided to you at the beginning of the month.

Large group assistants serve from 10:35-11:30 am for one month at a time. Most assistants serve 2 or 3 times from September-May. Months are based on your availability.
