

## **PRESCHOOL TEACHER**

Our preschool teachers have the privilege of really starting to dig in and share God's heart through weekly bible lessons and activities. There is a new theme, verse and worship song each month. Some outside preparation is required in choosing from offered activities, communicating supplies needed to the children's pastor and familiarizing oneself with the lesson. Most preschool teaching teams divide the Sunday's they serve so that 50% of the time they are teaching the lesson and 50% of the time they are assisting (no preparation required).

**Preschool teachers serve most preferably month on month off during the 9:30 or 10:50 service.**
