

TODDLER TEACHER

Our toddler teachers care for kids ages walking-2 years old. These teachers are quick to try to engage arriving toddlers with toys or books to help as parents say goodbye and ready to give snuggles and enter play. Each Sunday there are weekly “playtimes” that are incorporated into the morning that reinforce the monthly theme and basic truth. The materials are prepared, and brief description is posted throughout the room so no outside preparation is necessary. Simply a willingness to engage in the brief activity with 1 or more kids at a time throughout the hour. During each Sunday class one teacher will work specifically with our older 2's within the toddler room. For about 15 minutes of the hour they will carry out a short bible lesson and simple craft activity with those who are ready to engage and learn in this way.

Volunteers in the toddler class can volunteer every other week or every other month during the 9:30 or 10:50 services.
