

Camp Scholarship Request Form and
Scholarship Policies

It is our hope that all children are able to attend a Christian summer camp. God has called us into partnership with Trout Lake Camps and many at City Church have attended and worked there in the past few years. The summer program is an excellent mix of physical and spiritual challenges offered on a foundation of loving relationships. If finances are an impediment to your child attending camp, please complete this form by April 30. You may want to register as soon as you are able since camps do fill up quickly.

City Church expects your family to co-invest in this experience, as you are able. In addition, Trout Lake Camps offer some need-based financial assistance and/or an installment plan that runs through August 31st. If City Church is not able to meet the financial needs of all applicants, we will work with you to complete Trout Lake Camp's Financial Assistance Request.

We will first assist children of members and regular attendees. Friends will be considered on a case-by-case basis.
